

Recognizing Excellence by *Telling our Story*

WAHSA 2008 Annual Awards

The WAHSA Awards and Recognition Program is all about people who make a difference every day in the lives of those they serve. It's about people, who put quality first, deliver excellence, and inspire others to do the same. The WAHSA Awards Program recognizes those WAHSA individuals and organizations who have made an outstanding contribution in the fields of aging, health care, housing, and community-based services. It is our way of saying thank you, to those who do more than what is merely expected of them, who do the right things for the right reasons.
